

Gas & BMW Car Allowance Program

At My Branding System we want you to know that you are greatly appreciated for working with our company, and we want to reward you for doing so like no other Affiliate, MLM or Network Marketing Company has ever done before. Since you are our most important asset, we want to take the pressure off from skyrocketing gas prices and put you into the Ultimate Driving Machine. If you're going to work with the best, you should drive the best. Every week that you are paid at the following "Paid As Rank", you will receive the following Gas Card as a gas allowance for the week.

Producer 400

\$50.00 Gas Card

Producer 800

\$100.00 Gas Card

To receive the Lifetime BMW Car Allowance every month you must qualify as an Executive, and maintain an Executive Level "Pay Rank" each week. You must purchase and/or lease a BMW of any model to receive the BMW Car Allowance. You must also display the My Branding System logo on the rear window of the car. (This sticker will be supplied by MBS) If you should miss a week that you do not qualify, you will not receive the BMW Car Allowance for that month. Once you maintain a full month at an Executive Level Pay Rank, and continue to drive a My Branding System BMW, your car allowance will begin again. Your BMW Car Allowance will be calculated at the lowest Pay Rank achieved for the month. If you elect not to get a BMW, your car allowance will be half of the car allowance stated below, and you will still receive the full gas allowance.

Gold Executive
